

# Annual Lunch & Awards 2019

**The Dorchester Hotel, London. Thurs 27th June 2019**

**In this momentous 75th Anniversary year, UKWA will once again be seeking to recognise and honour excellence in our industry – and the UKWA Awards 2019 will be very special indeed.**

**Winners and finalists will be privileged to be in the company of a VVIP Guest of Honour, appropriate to the importance of this unique occasion, to be announced nearer the time.**

As usual, around 500 guests will gather at the luxurious London Dorchester to celebrate outstanding achievement, enjoy an excellent lunch and network with colleagues and customers.

This year, there will be additional entertainment from award-winning magician, Ben Hanlin.

So, if you believe your company – or one of your employees – is an industry top performer and deserves the accolade of a UKWA Award in this milestone year, let us know.

**We look forward to receiving your entry.
